

This file is merely a dummy file in order to allow us to have legislative releases downloadable through Webs.com.

Since you've just gone through the trouble of downloading and opening this .pdf, here's the link to the actual download again:

[https://drive.google.com/folderview?id=0B9QX\\_zJFm8lsdjhaX20wS3dvT3M&usp=sharing](https://drive.google.com/folderview?id=0B9QX_zJFm8lsdjhaX20wS3dvT3M&usp=sharing)

Please note that this will take you to a directory. To find the currently legal legislative release, please open the folder entitled "2 Current". The release should be located inside. Please note that it is compressed, and you will require an archive manager in order to view its contents. If you are unable to open it, please perform a websearch for an 'archiver', such as the free and open source 7-zip. Alternatively, please search your operating system's package-manager / app-store for one.

Thank you for your interest in the legislation of Theodia.
